IN RE: HEALTH

Commissioners approved a part-time contracted position of an Immunization Nurse, who will administer vaccines at clinics and help in the office when needed. Funding will come from the Vaccines for Children (VFC) reimbursable grant, which runs from July 1, 2024 through June 30, 2025.

Commissioners also approved a part-time contracted position of a Septic Permit Officer, funding out of Health Department Fund 8912 Contracted Services. Health Department has already approved 18 permits so far this year with 20 soil samples that need evaluation yet. Commissioners made both of these positions contracted as grant funds may not be sustainable.
