

APRIL 7TH 2025**REGULAR SESSION****PULASKI COUNTY COMMISSIONERS**

The Pulaski County Commissioners met in regular session Monday April 7th 2025 6:00PM at the Pulaski County Highway Garage training room. Commissioners present were Donald Street Jr., Michael McClure, and Jennifer Knebel with County Auditor Teresa Bryant. County Attorney Jacob Ehler was absent.

Also present were Jamie Murray, Mike Craft, Judge Mary Welker, Chris Brucker, Natasha Daugherty, Jerry Locke, Ken Becker, Teresa Hansen, Raymond Hansen, Linda Fritz, Gary Kruger, Marshall Field, Karen Gudeman, Darrel Gudeman, Kasey Lowry, Jeff Lowry, Dave Olds, Darlene Olds, Isaiah Tidwell, Gail Lambert, Larry Lambert, Connie Ehrlich, Ed Cotner, Joe Moyer, Adam Gourley, Chris Schramm, Megan Galbreath, and Nathan Origer.

President Street opened the meeting with the Pledge of Allegiance.

IN RE: ADAM GOURLEY

Adam's parents, Labon & Karen Gourley, own a lot that is adjacent to what was partially the road for the old bridge in Pulaski, torn down many years ago. Martin & John Maloney own to the other side. The road was never deeded to the adjacent owners and Gourleys would like to be deeded or purchase their side. Adam has tried to contact the Maloneys with no success. Donald suggested he contact a lawyer and the County Attorney will also be contacted on how best to proceed. Adam was told to contact Auditor in a week.

IN RE: NATASHA DAUGHERTY, EMS

Michael had asked Natasha to get a quote for O2 tank lift for the older ambulances, after seeing a demonstration in the recently purchased ambulance. Total comes to \$6,464.16 and this is not in EMS' budget. Donald said that this would greatly improve a safety issue. Natasha will go to Council next week to ask for an additional.

IN RE: JENNIFER KNEBEL, COMMISSIONER

Jennifer was on the agenda for an APC discussion but declined due to County Attorney being absent.

IN RE: OTHER BUSINESS

Jennifer made a motion to approve and sign claims and payroll #7, Michael seconded and motion carried unanimously.

Michael made a motion to approve and sign 3/17/2025 regular session minutes, Donald seconded and motion carried unanimously.

WTH Technology sent Electronic Map Data Application agreement for Commissioners' approval. Application is from Arcadis US, Inc., a consulting engineering company. Purpose of request is to conduct an electronic feasibility study for private local electric transmission client. Jennifer made a motion to approve and sign agreement, Michael seconded and motion carried unanimously.

Commissioners previously approved an "Acceptable Use Policy" that had been drafted by Roeing Corp. Policy was revised 3/6/2025. Jennifer made a motion to approve and sign new "Acceptable Use Policy", Donald seconded and motion carried unanimously.

Some County employees carry insurance coverage through Assurity Life Insurance Company. Assurity sent "Electronic Delivery of Group Master Policy and Certificates of Insurance" form for Commissioners' approval. This will allow Assurity to deliver the Group Master Policy to County's email address and deliver the Certificates electronically to employees. Michael made a motion to approve and sign form, Jennifer seconded and motion carried unanimously.

Michael made a motion to approve Conference Requests, Jennifer seconded and motion carried unanimously.

Veterans: Roy Mullis, Annual Service Officer training, Indianapolis, June 23 & 24
Treasurer: Teresa Bryant, State Auditor session, virtual May 1st, Plymouth, May 15th

County Attorney is working on a Fined Violation Ordinance that will allow law enforcement to give violations in regards to the solar project. As he was absent tonight, this will be brought up at next meeting.

Ginny Munroe and Tim Hollandsworth from VS Engineering presented progress report. Nathan Origer has the central map to download on County’s website. The activity log from 3/14 to 4/7 show multiple site visits, weekly meetings with Mammoth/Doral/Alaskan energy, meeting with Highway Department, issuance “Stop Hauling” email to Mammoth on 4/1. Ongoing issues are road improvements, enforcement procedures for signage, safety incidents, speed violations and crop dusting. Crop dusting is used to spray vegetation around the projects. Complaints are that they fly too low and fly 7 days a week. Signage ordinance is needed, which would be approved first by Commissioners then by Council and then advertised before effective. Complaints received of trucks rolling through stop signs and issues with school buses. Would like to not haul around 7:30AM or 3:30PM. Commissioners will talk to County Attorney and have emergency meeting, if needed. Donald made a motion for VS to draft violation enforcement letters and send to Commissioners. If VS does not hear from Commissioners within 24 hours, VS will send the letters out. VS wants to get information on standards of roadwork. County Highway and Town & Country (working for Mammoth) have a difference of opinion. One subcontractor dumped rock at 550N in the road.

IN RE: PUBLIC COMMENT

Joe Moyer: Talked about how an APC meeting was recently run and thinks commissioners need to supervise the situation. Pulaski County voted for change.

Darrell Gudeman: the APC meeting regarding the battery storage moratorium did not have a quorum. 3 alternates were appointed in 2005 and 2 did not show up while the other is involved in solar.

Ed Cotner: A solar truck blew a stop sign and almost t-boned his son taking his daughter to school

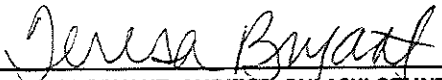

With no other business to discuss nor public comment, Michael made a motion to adjourn at 6:48PM, Jennifer seconded and motion carried unanimously.

Approved and sign this 21st day of April 2025 by the PULASKI COUNTY COMMISSIONERS.

DONALD STREET JR.

MICHAEL MCCLURE

JENNIFER KNEBEL

ATTEST: 
TERESA BRYANT, AUDITOR, PULASKI COUNTY, IN.
