 - President Stalbaum concerned of property next door
- **Public comment**
 - A Souroutzidis- Worried about noise and litter

- Chasity Button- Wants it to stay a rural setting, worried about people coming onto her property
- Member Dickey- There is a lot of pole buildings in the landscape
- President Stalbaum-I'm just worried about it being commercial on a gravel road.
 - President Stalbaum also worries about the safety concern.
 - Member Dickey – He is going to have cameras.
 - Todd Button- I'm going to have security cameras on all four corners
 - President Stalbaum without any conditions it is a no for me because of the safety involved.
 - Member Kelsey what conditions do you want?
 - President Stalbaum – A fence, I think there needs to be a fence around the project for the safety of all the neighbors.
- Todd Button-Currently there is a 4 foot fence up between my neighbor, on three sides of the project, that is for my horses.
- Member Dickey – I like the hours, but I don't know how we could enforce it.
- President Stalbaum-As long as the fence stays up, I don't see a problem with it.
- Member Dickey motions to approve the special exception Member Kelsey seconds Motion passed
 - No public comment
