

ED FRAIN TILE IMPROVEMENT
CONTRACTORS PRE-BID CONFERENCE/
PULASKI COUNTY DRAINAGE BOARD
March 12, 2026

Members of the Drainage Board & potential bidders met for a Contractors Pre-Bid Conference on Thursday, March 12, 2026, at 9:00am in the Pulaski County Surveyor's Office. Those present were: Members Mike McClure, Jennifer Knebel, Don Street, Surveyor Jenny Keller, Secretary Lynn Wilder, Board Attorney Tim Murray, Jake Ballah/BF&S, Sam Baker/Merrell Bros., and Rudy DeSabatine.

An overview of the project was given by Jacob Ballah from the engineering firm of Butler, Fairman & Seufert. Contractors were invited to ask questions and share concerns. After discussion, it was determined that the engineer would create an addendum to the original specs and plans that would encompass the discussion and agreed upon revisions. The addendum would be made available within a couple days, and would be distributed digitally or on paper copy to each known contractor as soon as possible. Contractors were reminded the sealed bids are due in the Surveyor's Office by 10:30am on March 20, 2026, with the bid opening to be held during a special public meeting of the Drainage Board in the courthouse meeting room at 10:30am the same day as they are due.
