PMH Child Safety Seat Inspection Station
Pulaski Memorial Hospital offers a Child Safety Seat Inspection Station to help ensure children travel safely. The Car Seat Safety Program is funded through the Automotive Safety Program at the Indiana University School of Medicine and the Indiana Criminal Justice Institute. The program provides car seat inspections by appointment and can assist with urgent car seat needs that arise through the Emergency Department. Services include education on proper car seat selection and use, hands-on assistance with installing car seats in vehicles, and access to car seats for families experiencing financial hardship or urgent need. To schedule an appointment or learn more about available services, please call 574-946-2189.

Cribs for Kids® Program
Pulaski Memorial Hospital and the Pulaski County Health Department have partnered with the Cribs for Kids® Program to help babies sleep safely by providing safe sleep education and portable cribs to families who cannot afford a safe sleeping environment for their infants. Families can schedule an appointment or learn more about the program by calling 574.946.2189.

Claim Aid provides free screenings and application assistance for a variety of programs, including the Healthy Indiana Plan (HIP), Hoosier Healthwise for low-income families, pregnant women, and children, Medicaid for the Aged and Disabled, the Health Insurance Marketplace, and Social Security Disability benefits. Individuals seeking assistance with health coverage or benefit eligibility are encouraged to contact Christina Davis for support and guidance.

Indiana Pregnancy Promise Program: The Indiana Pregnancy Promise Program is a free, voluntary program for pregnant Medicaid members who are currently affected by, or have a history of, substance use disorders. The goals of the Pregnancy Promise Program are to help participants enter prenatal care and address other health needs, access treatment services to support and sustain recovery, receive ongoing support for both mother and infant during pregnancy and for up to 12 months after birth, and build hope while establishing a strong foundation for the future. The Pregnancy Promise Program is available to pregnant women throughout the State of Indiana. To be eligible, participants must be pregnant or within 90 days after the end of a pregnancy, identify as having a current or previous substance use disorder, and be eligible for or currently receiving Medicaid health coverage. To make a referral for yourself or someone you know, visit www.PregnancyPromise.in.gov, email PregnancyPromise@fssa.in.gov, call 317-234-5336, or call toll-free at 888-467-2717.

Michiana Behavioral Health: This is an acute inpatient facility specializing in the treatment of mental health conditions for children, adolescents, and adults, including inpatient care for adults with chemical dependency. The facility provides 24/7, 365-day access to care and is currently accepting new patients starting at age 6. Individuals who are struggling or seeking help can call 1-800-795-6252 to speak with an intake professional and begin the admission process. Those who have completed detox and are looking to continue recovery may also contact the facility at 1-800-795-6252 and ask for Athena in IOP. For additional questions, please call 574-936-3784 or 1-800-795-6252, or visit www.michianabehavioralhealth.com.

Pulaski Memorial Hospital Medical and Surgical Group - Integrated Behavioral Health Services: Integrated Behavioral Health Treatment is a holistic approach that coordinates care between medical providers and behavioral health therapists for patients with behavioral health, addiction, and mental health needs. Medical providers and behavioral health therapists work together to develop comprehensive treatment plans that address both the physical and emotional aspects of a patient's well-being. Behavioral Health Therapists provide services for children, adolescents, adults, couples, and families. Individuals interested in receiving services should speak with their Pulaski Memorial Hospital medical provider about a referral. Behavioral Health office hours are Monday through Friday from 8:00 AM to 4:30 PM in Winamac, North Judson, and Culver. For more information, visit www.pmhnet.com, call 574-946-2194, or email info@pmhnet.com..

Bowen Health: Bowen health serves Hoosiers with emotional health care, primary health care, addiction recovery services, and life skills training. Helping children and adults in the classroom, in the home, and in the community learn independent living skills, emotion regulation, problem-solving skills, and more, ensure they have the skills they need to be successful and live their best life. For more information visit BowenHealth.org or call: 800-342-5563 ext. 3937
